## OFFICE OF LEGISLATIVE COUNSEL

Tuesday - Il September 1762

1.	Year Franker Communications
	Jack Leaky, Congressional
Character Village Street	ste Department, called to may that Chairman
Street But a Court	commerce Committee, has talked with the
Money Water Committee	es and obtained a rule for House consideration
of M.R. Hijl ment Ma	mday. Representative H. Allen Smith, of
the Rules Committee,	has indicated he will suggest as smendment
to the per or the floor	requiring that a Presidential determination
be made in each case	where the operation of a radio transmitter in
the United States by a	foreign power would not be against the national
interest. Smith also	asked specifically what the Agency's views were
on this subject. He w	as informed the Agency supported the bill and
it was suggested that	he contact this office if he desired further informs.
tion on this. Leahy s	aggested that if we agreed it might be helpful if
was took the intelesting t	
A COMP TIME THE PROPERTY !	in contacting Smith on this.
